

## REMARKS

### Discussion

The Examiner pointed out in the Notice of Drawing Inconsistency with Specification that Figure 2 of the present application is contained in the drawings but not listed in the Brief Description of the drawings in the specification. Applicant has amended the application to include Figure 2 in the Brief Description of the drawings in the specification. Applicant respectfully submits that the amendments do not introduce new matter into the application. Reconsideration of the present application is respectfully requested.

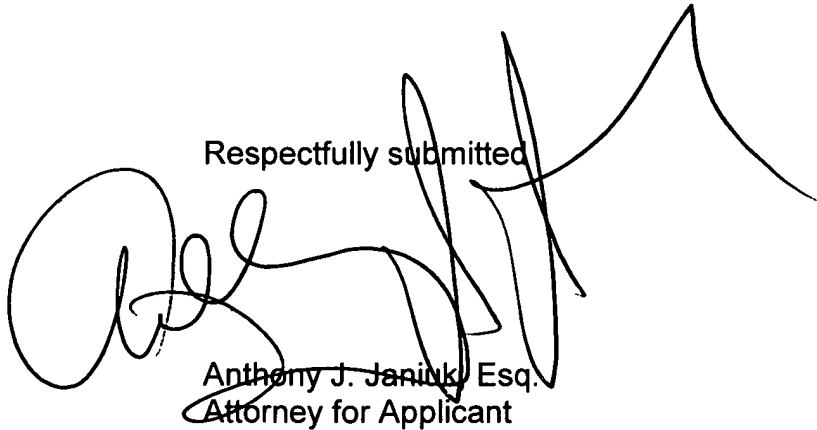

### Conclusion

In view of this Office action, it is submitted that this application is in condition for allowance which action at an early date is earnestly solicited.
